WELCOME TO THE 2026–2027 SCHOOL YEAR

We are thrilled to welcome our returning and new students to a new school year! It has been a wonderful start, and it is heartwarming to see the children settling into their classrooms, reconnecting with old friends, and beginning new friendships.

Thank you for entrusting us with your child's education, care, and safety. We remain committed to providing a nurturing, engaging, and productive environment where every child can learn, grow, and reach their fullest potential. We look forward to a joyful year together!

BACK TO SCHOOL NIGHT FRIDAY, SEPTEMBER 4

Please join us from 5:30–6:30 PM for Back to School Night! Meet your child's teacher, visit the classroom, and learn more about the exciting school year ahead. We look forward to an informative and welcoming evening with our families!

GRANDPARENTS DAY

We are excited to welcome our beloved grandparents on September 11! Grandparents hold a special place in our children's hearts, and we look forward to celebrating the love, joy, and beautiful bond they share.

FALL PICTURE DAY

Town Photo will be on campus for our Back to School Picture Days. Please have your child arrive in their school uniform and ready to smile! A variety of portrait packages will be available, with online access for viewing and ordering your child's photos.

GENTLE REMINDERS

Drop-off and Pick-up

Please help keep drop-off and pick-up safe and smooth. It has been observed that cars are entering fast into the parking lot. Please be cautious when entering. Please remember to always sign your child in and out using your full legal signature.

Uniforms Are Mandatory

Complete school uniforms are required unless a free-dress day is announced. Please label all clothing with your child's first and last name.

We Are a Nut-Free Zone

Breakfast, lunch, and three snacks are provided. All food from home, including birthday treats, must follow our nut-free policy.

Extra Clothes

Please keep a labeled, season-appropriate change of clothes at school and replace items when they are sent home.

Vaccinations

Children must be up to date on required vaccinations according to California State requirements.

Sick Policy

Children with a fever of 100°F or higher or contagious symptoms must be picked up. Children must be fever-free for 24 hours without medication before returning.

MONTESSORI ACADEMICS

Children will learn and grow at their own pace through hands-on Montessori materials, building skills in language, math, sensorial learning, and practical life while developing confidence and independence.

STEAM

Through science, engineering, art, AI, and technology, children will explore, create, experiment, and discover through exciting hands-on experiences.

ENRICHMENT

Ballet, hip-hop, soccer, music, yoga, Mandarin, and Spanish bring movement, creativity, and culture into our classrooms while helping children build confidence and discover new interests.

LOOKING BACK: THE LAST WEEKS OF SUMMER

The final weeks of our summer program were filled with laughter, learning, and wonderful memories! From our special trip to the Bob Baker Marionette Theater and creative crafts to water play fun, bounce houses, and time spent learning and playing with friends, there was always something to enjoy. We are so happy to have ended the summer on such a joyful note!
