

WALNUT MONTESSORI-PRESCHOOL ACADEMY

November 2026

We Have Plenty to Be Thankful For

This month invites reflection — a moment to recognize the many blessings we've received. It's also a time to reach out to those who have shaped our lives for the better. As we look inward with gratitude, we also look outward with compassion, remembering those who need our care and kindness. We are thankful for the graces we receive each day and the opportunity to share them with the people we meet along the way.

We are deeply grateful to all our parents for their unwavering support. Thank you for entrusting your children to us and for partnering with our teachers to nurture their emotional, social, and academic development.

Happy Thanksgiving to all our families!

Dates to Remember

- Sunday, November 1 - Daylight Savings Time Ended
- Wednesday, November 11 - Veterans Day (School Closed)
- November 17 - Winter Pictures (Formal Attire)
- Tuesday, November 24 - Annual Thanksgiving Luncheon
- Thursday & Friday, November 26-27 - Thanksgiving (School Closed)

November 11 – Honoring Our Veterans

Veterans Day commemorates the signing of the Armistice in 1918, which ended World War I. On this day, we express our gratitude to the men and women who have served in our Armed Forces. Please note that the school will be closed on Wednesday, November 11, in observance of Veterans Day.

November 24 – Annual Thanksgiving Luncheon

Thanksgiving is a time for togetherness and gratitude. We will host our Annual Thanksgiving Luncheon on Tuesday, November 24. On this day, our students will learn about the history and traditions of Thanksgiving. We ask that you dress your child in festive attire for the occasion. The school will be closed for Thanksgiving on November 26th and 27th.

'Tis the Season

We will soon be busy preparing for the Winter celebrations. The children will make winter crafts, prepare treats such as mini gingerbread houses, decorate cookies, make spiced apple cider,
and learn songs and poems that celebrate the season.

The Winter Program

Our children have been focusing on practicing for the Winter Show! On Thursday December 10th, they will perform songs and dances they learned in music and dance classes. Parents, families, and friends are invited to this joyful event. More details will follow as we get closer to the date.

Change of Weather

As the weather changes, we will adjust our academic schedule to ensure the children still have ample time for outdoor play. Please ensure your child has a jacket or sweater for recess, and label all outerwear with their name to avoid mix-ups.

Enrichment Activities Planned for November

The Art activities for the month will focus on exploring shapes. Fall colors provide the perfect palette as the children apply their Montessori skills in creating beautiful Thanksgiving crafts.
Meanwhile, our STEAM program is in full swing, reinforcing the children's language and math abilities while sharpening their computer skills.

Looking Back on Our Recent Activities
The Halloween Costume Parade

Our Halloween Costume Parade was the highlight of the month! The children were filled with excitement, sharing stories about the costumes they planned.
